You don't have to go to Harvard to figure out a fistful of pistachios is more satisfying than a few measly flavored tortilla chips. It did, however, take a recent Harvard study to suggest eating nuts seven times a week or more is as healthy as it is smart. Pistachios are naturally cholesterol and trans fat free, a good source of protein and fiber, and heart-friendly. So get crackin'. And get snackin' with smarts.

Scientific evidence suggests but does not prove that eating 1.5 ounces per day of most nuts, such as pistachios, as part of a diet low in saturated fat and cholesterol may reduce the risk of heart disease. ROSIE'S DAUGHTER

ON THE RUN AGAIN

ROSIE O'DONNELL'S DAUGHTER TAKES OFF TO LIVE WITH HER BIRTH MOM

She had the will, and now she's found the way. **Chelsea O'Donnell, Rosie O'Donnell's** troubled adopted daughter, ran away from home in mid-August, only to be retrieved a week later at the residence of **Steven Sheerer**, a convicted heroin dealer she met on Tinder. Now Chelsea has fled for Wisconsin — this time to live with her birth mom, **Deanna Micoley** — and Rosie has responded by cutting her off!

"Rosie is furious," says an insider. "I heard she's canceled all Chelsea's credit cards and refuses to hand over her birth certificate and social security card. She's in full selfish, vengeful mode."

FLEEING THE NEST

Chelsea's first attempt to leave flew strangely under the radar until she'd been gone a week, when Rosie made

a plea via her website and social media to help find her. She was eventually found hiding in the attic of Sheerer's Barnaget, N.J., residence, at which point she was escorted home, and Sheerer was charged with child endangerment. Rosie had described her daughter as mentally ill and precariously off her meds, and insiders claimed this was hardly out of the ordinary for Chelsea, who'd spent years battling emotional issues while at boarding school.

But on Aug. 24 — the day Chelsea turned 18 — she took

MOMMY DEAREST
"It was the moment I'd been waiting and praying for the last 17 years," said Deanna after Chelsea tracked her down last year.

off to live with Deanna, with whom she's been in contact since she sought out her biological family last fall.

Deanna, who gave 2-month-old Chelsea up for adoption in 1997, has regretted the decision ever since, claiming earlier this year that her ex-husband got her high on heroin and forced her to do it. She further alleged, "I believe Rosie O'Donnell knew that I was in no condition to sign away my parental rights... She did the worst thing one woman can

do to another woman — take her child!"

But now — even if just to spite Rosie — Chelsea is back in her life.

"Chelsea was counting down to 18 and to her freedom," says a source. "She couldn't stand being around Rosie."

PREGNANT KIM HITS THE GYM

It took months of exhaustive daily workouts for **Kim Kardashian** to get her famously fit body back after giving birth to daughter North in 2013. That was because the 5'3" Kim had put on a whopping 65 pounds — more than twice the 30 pounds most doctors agree is the most an expectant mother should gain while pregnant. To avoid a similar struggle after having baby number two, Kim is determined to stay as slim as possible up until her December due date and has been working with celebrity trainer **Harley Pasternak** to keep her weight under control. “You can do most exercises that you would normally do while pregnant, you just can’t do stuff on your back or too much abdominal work,” Pasternak tells **OK!**. “Kim often uses a Helix Lateral Trainer — it’s like a lateral elliptical. It’s popular with female clients because they can tone their butts and abductors and glutes in a lateral way.”

Pasternak tries to accommodate Kim’s busy lifestyle with bite-size workouts that don’t require braving the paparazzi with a trip to the gym. “I’ll send a video clip that says, ‘Today you’re going to do a reverse lunge... four sets of 25 repetitions.’” To help Kim resist the urge to overeat, Pasternak reminds her that she needs only an extra 300 calories a day during pregnancy. And in the sweltering summer months in Calabasas, Calif., where Kim lives, he preaches the need for her to stay hydrated, which apparently isn’t a problem: As Pasternak explains, “Kim guzzles tons of water!” Bottoms up, KK!

Kim works out with celebrity trainer and Smartwater Ambassador **Harley Pasternak** up to four times a week.

CHRISSY SELF-OBSSESSED

"Chrissy will be looking at her phone in the middle of a party because she got a Google alert about herself," says a source.

Sure, she has 3 million Instagram followers, but **Chrissy Teigan** may just be her own biggest fan. The model confesses to reading 99.5 percent of the comments written about her on social media — and her self-obsession is driving hubby John Legend nuts! "She has to read everything and anything that's out there, even if it means she breaks down in tears or can't sleep," explains an insider. She spends so much time on Instagram and online that it's practically taking over her life. The source says Chrissy is adamant about keeping up her online presence to boost her career, "But if John had his way, he'd flush her phone down the toilet!"

BRITNEY'S DAD: TAKE A BREAK FROM BOYS!

She's a thirtysomething mom of two and an international pop star, but **Britney Spears** is treated like a teenager. Her dad, Jamie, who's had conservatorship of Britney (putting him in control of her legal and financial decisions) since 2008, wants her to steer clear of guys for six months. An insider says, "Jamie wants her to rebuild her confidence after breaking up with **Charlie [Ebersol]**, while Britney wants to find a man right away." But Jamie's worried she'll crash and burn again. "She throws everything into relationships before they have a chance to grow — and the guys run," says the source. Jamie is taking no chances with Britney's heart. He has bodyguards with her all the time, to protect her and keep tabs on what she does. But Brit isn't giving in. The source explains, "She pushes her dad every day, saying that a new guy will help her forget about Charlie."

OK! INSIDER

Johnny Depp is fuming after Disney executives agreed to pay **Orlando Bloom** \$5 million for just a couple of weeks' work to save the new *Pirates of the Caribbean* flick from disaster. *Pirates of the Caribbean: Dead Men Tell No Tales*, the fifth in the hit series, ran into trouble earlier this year after Johnny went back to America to get treatment for a mysterious hand injury. That came amid reports that his after-hours partying was taking a toll on his performance, pushing the movie behind schedule and more than \$70 million over budget. But now Orlando is swaggering around telling everyone that he's the actual star of the movie. And insiders fear that the two men will cross swords when they reunite on the Queensland, Australia, set. "There has long been bad blood between them. They can't stand each other," says a source. Indeed, it's believed that Johnny agreed to reprise his role only on the condition that Orlando wouldn't appear alongside him — which is why Johnny is "so angry that Orlando was brought in to save the franchise." That's show business!

JOHNNY & ORLANDO

IT'S WAR!

GWEN SINGING THE BLUES

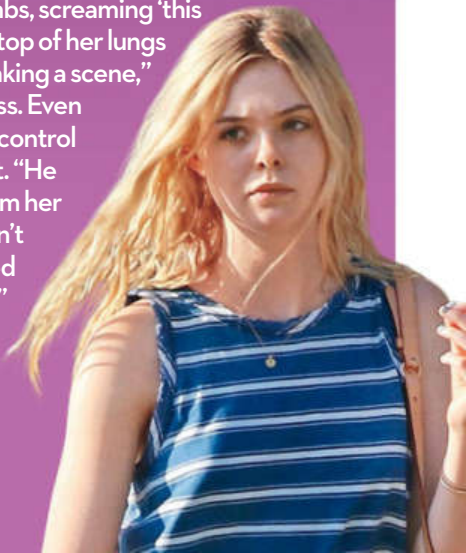

Seen stepping out without her wedding ring, **Gwen Stefani** continues to struggle with the end of her 13-year marriage to **Gavin Rossdale**. The singer is diving back into work on *The Voice*, where good pal **Pharrell Williams** is providing moral support. **Blake Shelton**, coming off his own breakup, is always cracking jokes to cheer her up. And, according to a source, "Adam Levine is trying to set her up, but she says it's too early to date again."

10 SEPTEMBER 14, 2015 OK!

ELLE'S NOT SO SWEET

Looks like angelic actress **Elle Fanning** may have tarnished her halo. During a recent visit to a passport office in Van Nuys, Calif., the teenage Disney star — who has enjoyed a pristine reputation as a sweet and professional young lady — was "dropping F-bombs, screaming 'this is bull****' at the top of her lungs and generally making a scene," said an eyewitness. Even her dad couldn't control the raging starlet. "He kept trying to calm her down, but he didn't seem too shocked by her language," says the source. "There were also kids around, but she just didn't care!"

LILO ABANDONED BY HER FRIENDS

She's become more famous for partying around the globe than acting, but despite the constant good times, Lindsay Lohan is downright lonely. Behind the scenes, sources say she has few friends and is so desperate that she's taken to asking random Uber drivers to hang out! According to one Uber driver, the troubled starlet recently asked a driver in his 50s to lunch. "We chatted all day while I drove her around L.A.," says the driver. "A few weeks later she left me a voice mail, and we went out to eat in Santa Monica! It wasn't romantic, she is just lonely and needs friends." Hey, Linds, may we suggest a book club?

Lindsay's lifestyle of parties and clubs hasn't yielded many deep friendships.

Now that she's left Scott Disick, Kourtney Kardashian is ready for a new nest! The reality TV star is house-hunting for a brand-new "Scott-free" home, a move that will help cement her decision to leave her troubled partner and truly start fresh. "Up until now, everyone thought Scott was going to slowly worm his way back into her life, but this is the first real sign she's determined to get on with her life without him. She's just sick of seeing mementos of Scott everywhere she looks, and she's ready to make some new memories in a new house," spills a source. The couple bought their sprawling \$10.5 million Calabasas mansion in January 2014, and it's where their kids, **Mason**, 5, **Penelope**, 3, and **Reign**, 8 months, have spent a good portion of their childhood. Just don't expect her to stray too far — **Khloé** and **Kylie** live down the street, and Kourtney likes to keep close to family.

Kristen Stewart gave a thrill to *Twilight* fans by bringing **Taylor Lautner** to her *American Ultra* premiere on Aug. 18 at The Ace Hotel in L.A., but she may have chosen Taylor to protect a secret: that she recently married her girlfriend, **Alicia Cargile**! An eyewitness at the afterparty says that when asked how her night was going, Kristen, 25, slipped up and said, "I miss my wife!" The source attributes her openness to unlimited champagne, adding, "When I congratulated Kristen on being married, she gave me a quirky smile and coyly said, 'Thanks!' and then ran off to celebrate with friends and costars, who were hugging and congratulating her all night."

Alicia was formerly Kristen's assistant, and her romantic relationship with Kristen first became public in January, when the couple were spotted kissing on a beach in Hawaii. Those close to Kristen aren't surprised at the possibility that the pair secretly wed, because Kristen's "been saying Alicia's The One for the longest time," says a pal. It's also unlikely that the actress will formally announce the nuptials because both of them cherish their privacy. "Alicia hates the attention even more than Kristen," the source says, explaining that Kristen was doing her a favor by making Taylor her plus-one. "They just get each other, and that's what makes it work."

"They complement each other in every way," the source says. "They like the same things — especially privacy."

Christina Aguilera said having kids “truly is what life is all about” in February, and she’s not wasting any time trying to get pregnant again. *OK!* broke the news that she was pregnant with her daughter, **Summer Rain**, with fiancé **Matt Rutler** (and she a son, **Max**, 7, with ex **Jordan Bratman**), and a source says she’s already “aching for another baby.” So Christina, 34, has stopped drinking alcohol and is even taking prenatal vitamins. The source adds that she also put on five pounds to prepare for pregnancy. But Christina’s not worried about fitting into her wedding dress, even though she’s currently planning her nuptials to Matt, 30, and is “prepared to walk down the aisle with a bump.” We’re sure Xtina will make a beautiful bride either way!

“She didn’t have trouble getting pregnant before,” the source says. “So it’s only a matter of time before she makes the announcement.”

Christina & Matt TRYING FOR BABY #2

“Sasha likes how quirky and out there Shia is,” the source says.

Shia’s NEW GIRL

In July, **Shia LaBeouf** and **Mia Goth** had the fight to end all fights — he even admitted on camera that if German locals hadn’t intervened he “would’ve killed her” — and the actor ended the relationship soon after. But he’s not looking back — he’s already been spotted out twice with actress **Sasha Lane**, who costars with Shia in the upcoming film *American Honey*. A source says that Shia, 29, is over Mia, 22, for good and “it’s all about Sasha now.” The insider adds that Sasha, 22 (who’s friends with **Riley Keough** and **Kristen Stewart**), is equally smitten and has “had a thing for him since they worked together in June.”

TROUBLE IN PARADISE

For the past 16 years, **Victoria** and **David Beckham** have been one of the most glamorous married couples in the world. But now it seems their partnership may be just for show. “It’s all part of promoting brand Beckham,” a source tells *OK!*. “If it weren’t for their public image, they would’ve split years ago.” According to the source, the couple have been living separate lives for the past three years, and as David, 40, eyes a pad in South Beach (where he’ll live as possible co-owner of a new soccer team), things may only get worse, since Posh, 41, insists on staying put in the U.K. because that’s where her family and friends are.

Ben and Jen were already separated when he hooked up with Christine. But he was still desperate to keep his fling with her under wraps.

There's no shame in her game: Not only does Christine seem to be relishing the attention that's come with her newfound notoriety, but her friends say she is still in contact with Ben, texting him as much as 20 times a day!

Affair To Remember

— THE NANNY TELLS ALL —

"HUMILIATED"

A source says that Jen was "beside herself" when the story came out. "She feels humiliated, furious and dejected."

Christine Ouzounian is ready to spill every salacious detail of her time with **Ben Affleck** and **Jennifer Garner**

It's been several weeks since **Christine Ouzounian** was thrust into the spotlight, thanks to her role in her superstar (former) employers' split. Yet the public's interest in the nanny **Jennifer Garner** hired last spring to look after her children, **Violet**, 9, **Seraphina**, 6, and **Samuel**, 3 — but who spent much of her time attending to the needs of Jen's husband, **Ben Affleck** — continues to grow.

And a source close to the Arizona State University grad says that's *exactly* how she wants it. "She doesn't see anything wrong with what she's done," the source explains, adding that Christine, 28, is planning an explosive tell-all about her affair with Ben. "It's exactly what Ben and Jen have been fearing. She's going to air all their dirty laundry!"

INSTANT CHEMISTRY

The juicy details of Christine's relationship with Ben are already beginning to trickle out. According to

the source, Christine wasted no time embarking on a physical affair with Ben, 43. "From the moment they met, there was a mutual attraction," the source notes. "He made sure she knew that he was interested."

The buzz among Christine's friends is that she and Ben hooked up promptly, "and she was thrilled when he joined her in the shower afterward." Perhaps it's no big surprise, then, that Christine not-so-secretly hoped to be Ben's next girlfriend and not just a down-and-dirty fling. Christine's hopes were heightened when Ben and Jen made their divorce public, which helped convince Christine that there was absolutely nothing wrong with their relationship, since the marriage was all but over anyway.

HOPING TO BE CAUGHT

However, Christine knew that she wasn't going to get to stroll the red carpet with her new man anytime soon. First, Ben and Jen would need to make their split official. So, the source says,

OK! COVER STORY

WAS BEN SET UP?

Sources say it was Christine who tipped off the paparazzi to her and Ben's late-night rendezvous.

Christine did what she could to speed things along, flirting openly with Ben and even leaving "evidence" of the relationship where Jen, also 43, would be sure to find it.

"Jen suspected something was going on, almost from the very beginning," an insider says. "She'd come into a room and find Ben and Christine leaning in to each other, whispering. But she convinced herself that it was all in her head." Until, according to a source, Jen found something that was impossible to ignore: a used pregnancy test, perched "in plain view in the bathroom by the sink," in the home where Jen, Ben, Christine and the kids were staying in the Bahamas. And its positioning may not have been an accident.

Jen was torn to pieces when she found out they hooked up. She was crying and screaming until he left — an insider

Jen. "All hell broke loose," adds the source. "Jen sent Ben and Christine packing."

SHE'S SHAMELESS

Of course, as anyone who's seen the shot of Christine posing in a private jet and wearing **Tom Brady's** Super Bowl rings knows, the pair went to Las Vegas, not L.A. "She thought it was

"It wasn't buried in the trash," the source says. "My guess is Christine had left it there on purpose." The fact that it was negative

their chance to be together," the source says. But Ben, whose reps continue to deny he had an inappropriate relationship with Christine, soon lost interest and only put her up at the posh Hotel Bel-Air to keep her quiet once the story broke.

Now that he's dropped her, though, she's even more dangerous to the pair, who've been trying to stay civil for the sake of their kids. And perhaps, according to the source, Jen and Ben may even get back together. "It isn't out of the question," the source says. "They're on shockingly decent terms and have grown a little closer through this ordeal. But they want Christine to go away for good. With everything she could say about them, she's like a ticking time bomb!"

OK!

FRAGILE PEACE

Ben and Jen have put on a united front. "They're trying to untangle their feelings," a source says.

How She'll Make Her 15 Minutes Count

SPLASHING OUT

Despite losing her job, Christine has somehow managed to acquire a \$43,000 drop-top Lexus. It's unclear where the money is coming from, but it may be related to her new fame!

BEGGING FOR GIGS

She's also hired an agent and is hoping to secure a reality TV deal. "She wants to strike while the iron is hot," the source says. "She'd love to be the new Bachelorette or go on *Dancing with the Stars*."

MAKING MOVES!

The source says that she's even talked about pitching her own show. "She has these ideas, like, *Mistress Makeovers*. She can't be a nanny anymore, so she has to find something else to do!"

AFTER DATING
FOR 10 MONTHS,
KRIS JENNER IS
MASTERMINDING A
PROPOSAL FROM
25-YEARS-YOUNGER
COREY GAMBLE!

It's been just a few months since **Kris Jenner**, 59, finalized her divorce from **Bruce** (now **Caitlyn**) **Jenner**, in March, but the energetic momager is already preparing to walk down the aisle again with 34-year-old boyfriend **Corey Gamble**. They just started dating in October 2014, and despite their 25-year age difference, "Kris is absolutely head over heels for Corey and wants to become his wife before the year is out," an insider tells OK!. And lest Kris leave anything for chance, she is orchestrating the whole proposal, which will take place in the coming weeks — just in time to have it all caught on camera for the new season of *Keeping Up with the Kardashians*. As the source says, "She's told Corey she wants a grand, fantasy proposal — and she wants it filmed."

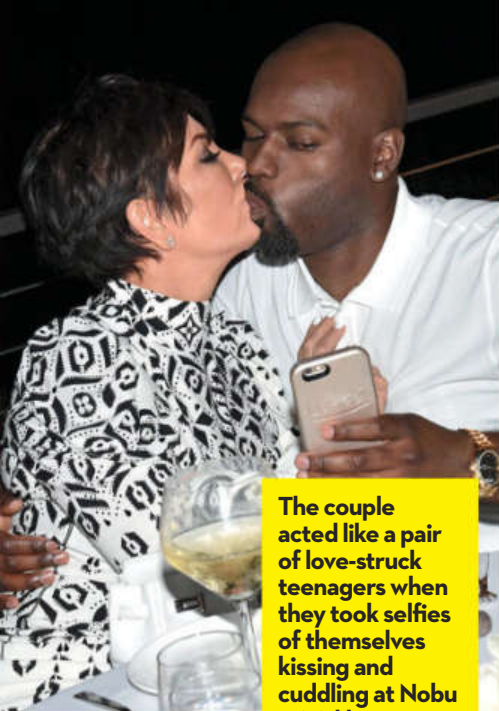

GRABBING THE SPOTLIGHT

But Kris may have another reason for featuring her love life on air — to steal back some of the thunder Caitlyn has taken since making the transition from man to woman. "Kris is sick of playing second fiddle to Caitlyn. She's wants to drum up some publicity for herself and to steer the limelight back her way. She thinks marrying her boytoy could do that." While Kris has yet to pick a date for Corey to get down on bended knee, she has given him plenty of guidance when it comes to choosing the perfect ring. On a recent family vacation in Paris, the twosome indulged in some serious shopping and visited several luxury jewelry stores, where Kris

Kris "hasn't been this excited about anything for a long time," says an insider.

KRIS & COREY

**GETTING
ENGAGED!**

The couple acted like a pair of love-struck teenagers when they took selfies of themselves kissing and cuddling at Nobu in Malibu on Aug. 24.

pointed out exactly what she would and wouldn't accept on her finger.

RING-ING IN THE NEW YEAR?

But it's not just Kris who's pushing the proposal and marriage. Corey thinks it'll be fun. What's more, he loves the fame he's gotten from dating Kris. "Corey is just as obsessed with being a celebrity as she is," says the source. To that end, Kris has begun planning the specifics of the big day, which she wants to take place on New Year's Eve near Paris. "She's been scouting out locations and is willing to dig deep to get her dream date," says the source. High on her list is the impressive Château de Vaux-le-Vicomte, a 17th-century French castle

that is listed on the Top 10 European luxury wedding venues. "Go big or go home is her motto for this wedding," says the source. "There will be no expense spared!"

FAMILY MATTERS

Although road manager Corey has his own income, it's nowhere near Kris' \$30 million net worth — which she has already made available to him. "She gave him access to her money and credit cards," says the insider. It's that kind of blind generosity that her children have been very concerned about, because for a savvy businesswoman Kris has been quite laid-back about doling out the dough. Not surprisingly, some of her kids aren't convinced that the relationship is a great idea. "They like Corey, but **Kourtney** and **Khloé**, especially, are a little dubious as to what exactly he's getting out of this relationship," reveals the source. "He's so much younger than Kris, and they wonder why he doesn't want someone his own age. **Kylie** and **Kendall** have asked the same thing too." Only **Kim** is 100 percent standing by her mom's decision—so much so that she's going to be the matron of honor at the ceremony.

Kris is also adamant that her only son, **Rob**, walk her down the aisle — something that the troubled sibling is not sold on yet. Says the insider: "Rob doesn't exactly have a good track record with weddings. He hates it when he's featured on the show, and he hates being the center of attention.

He doesn't care if his mom wants to tie the knot, but he'd

UM... SURPRISE?

It's practically a Kardashian family tradition to have a televised proposal. **Kanye West** asked for Kim's hand on camera at AT&T Park in San Francisco. And second husband **Kris Humphries** wrote out his proposal in rose petals in front of a film crew. Now Kris also wants her "surprise" captured, since engagement episodes can bring in ratings gold.

WHO IS COREY GAMBLE?

He may be best known these days as Kris Jenner's boytoy, but Corey Gamble has a checkered past. Before he was helping Kris carry her pricey purchases (1), the road manager for **Scooter Braun's** SB Projects was spending lots of time with stars like **Justin Bieber** (2), one of Scooter's biggest clients. But there's darker stuff too: He was accused of stalking his ex-girlfriend, *Atlanta Exes* star **Sheree Buchanan** (3). She obtained a restraining order but didn't file criminal charges, claiming he entered her home uninvited and even laid a hand on her, leaving her bruised. "I changed my locks because he'd managed to get a key," she said. She calls him a "fame whore" who wants power and money and will do whatever it takes to get it. Corey has never commented on the allegations.

prefer to watch it from the sidelines." But Kris simply isn't worrying; she's too busy meticulously planning everything down to the last detail — even though Corey hasn't asked her yet. And those close to Kris are already worried about awaking a sleeping Bridezilla. As one says, "Everyone is bracing themselves for Hurricane Kris on the wedding warpath!"

OK! UPDATE

ASHLEY MADISON SCANDAL

TWO MORE EXPOSED!

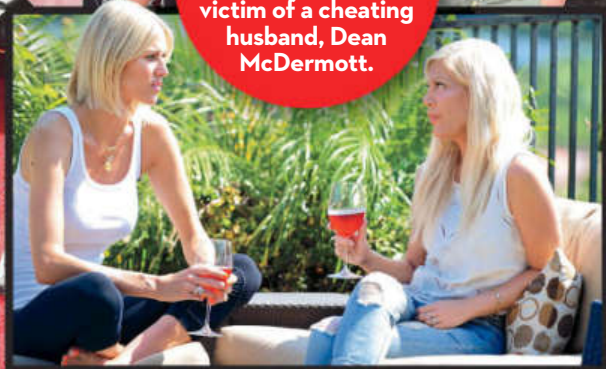

JIONNI LAVALLE AND JOSH TAEKMAN ARE THE LATEST ASHLEY MADISON CHEATERS TO GET CAUGHT RED-HANDED!

After the news broke, Snooki posted a picture from her wedding day and insisted, "Jionni is a good guy."

While Josh publicly apologized, Kristen leaned on pal Tori Spelling, herself a victim of a cheating husband, Dean McDermott.

After the database hack of cheater-enabling website Ashley Madison exposed family-values advocate **Josh Duggar** to be a card-carrying adulterer, the hits on married male reality stars just kept on coming. **Josh Taekman**, the husband of *Real Housewives of New York City* star **Kristen Taekman**, and **Jionni LaValle**, hubby of **Nicole “Snooki” Polizzi**, were revealed to be Ashley Madison subscribers — i.e., men actively (and secretly) seeking extramarital affairs. And while the seemingly opposite Josh and Jionni are forever linked by their indiscretion, their wives appear to have even more in common: public denial that their husbands did anything wrong!

BETRAYAL IN THE CITY

Kristen’s inaugural *RHONYC* season in 2014 showcased the cracks in her marriage; she and her entrepreneur hubby often fought about his workaholic schedule, his habitual lateness and his intermittent fathering of their two young kids (Cash, 6, and Kingsley, 3). But after the season aired, Kristen insisted that the show served as couples therapy, helping them get back on track.

Mere months after celebrating their 10-year anniversary and renewing their vows, Josh’s email was leaked by Ashley Madison hackers — and though he first denied any involvement, he later copped to signing up “foolishly and ignorantly... I deeply apologize for any embarrassment or pain I have brought to my wife and family.”

Kristen stayed mum — save for a tweet thanking her supporters — but an inside source says she’s heartbroken, adding, “Kristen isn’t taking this well. Josh may have publicly apologized, but that doesn’t erase that he’s been lying all along.”

And while things are tense, to say the least, at the Taekman house, the source predicts that once the dust settles, they’ll stay married. “Her friends don’t think she’ll leave,” says the source. “She’ll stay for the kids.”

LATEST DUGGAR DISGRACE

As if Josh Duggar’s string of scandals — from his admitted past molestation of young girls (including his sisters) to his porn addiction and Ashley Madison subscription — weren’t enough, Josh is now being outed by a porn star who said he paid her for rough sex romps. **Danica Dillon** claims Josh approached her in a Philadelphia strip club this spring — while Josh’s wife, Anna, was pregnant! — and offered \$1,500 for sex. Meanwhile, Josh just entered rehab in Florida for sex addiction. Thus far, Anna has stood by him, despite her brother calling Josh a “pig.”

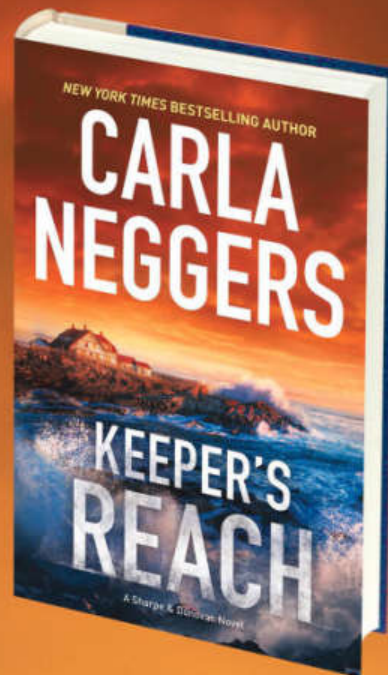

Porn star Danica Dillon reportedly accepted large sums from Josh for lap dances and rough sex.

ITALIAN LOYALTY

Meanwhile, across the river in Jersey... Snooki’s husband of nearly one year — and father of Lorenzo, 3, and Giovanna, 11 months — was likewise exposed via the hack. Snooki posted a fierce defense of her husband, insisting he’s a “stand up guy who loves his family... he would never cheat on me.” But behind closed doors, the doubt has crept in. “Snooki’s devastated,” says an insider. “She doesn’t want to believe the reports, but she’s in shock. Jionni may be a huge flirt, but Snooki can’t imagine her life without him. She waited so long to have the perfect family and won’t give up so easily.” **OK!**

JESSICA SIMPSON'S GET-FIT-QUICK TIPS

JESSICA'S TRAINER, HARLEY PASTERNAK, SHARES HOW THE MOTHER OF TWO LOST HER BABY WEIGHT

1 Work up a sweat. "She does her cardio on a regular basis and likes to walk. The thing you always have to do is cardio, and she's consistent."

2 Get enough shut-eye. "Studies show that lack of sleep can lead to central adiposity, which is the buildup of fat in the abdominal area."

3 Eat right. "Jessica likes her Tex-Mex, but we do healthy versions of it. Also, grazing instead of gorging moderates your blood sugar and metabolism."

4 Don't try to target one body part. "You can't eliminate just stomach fat, unfortunately. What you can do is tighten the muscles in that area by training the midsection in four directions: forward [planks], backward [Superman pose] and side to side [side planks]."

5 Keep moving! "I try to get all my clients to walk at least 10,000 steps a day. When it comes to doing resistance training, sculpting or tightening, Jessica might work out three days a week."

ZAC EFRON HOLLYWOOD'S MOST WANTED

After a stint in rehab, the hunky heartthrob is healthy, focused and burning up the big screen

Zac is back! After catapulting to fame as Troy, *High School Musical*'s big man on campus, **Zac Efron**, 27, hit a personal rough patch when a hard-partying streak landed him in rehab early last year. But now the charming star is "feeling happier and healthier than ever. I'm in such a great place in my life." For one thing, he's got a full slate of high-profile movies on deck, including the sequel to the comedy hit *Neighbors*, a big-screen version of *Baywatch* and the powerful new drama *We Are Your Friends*, in which he plays an aspiring club DJ trying to achieve success. Zac talked to OK! about confronting his demons, romance and outswimming **The Rock**.

Your character in *We Are Your Friends* becomes immersed in the party scene. Did you feel any discomfort with the role, considering your own struggle?

No, it was cathartic in a lot of ways — and interesting to explore a character who's experiencing a lot of things I could relate to. It's also better to confront issues from your past rather than run away from them.

The movie centers on the Electronic Dance Music craze of the late '00s. How do you think the story speaks to your generation?

It addresses a lot of concerns that young people have about finding their way and wanting to make sense of their time. Figuring out what you want to do with your life, dealing with relationships, figuring out who you are — these are universal issues.

Next year, you'll be donning red swim trunks for the big-screen *Baywatch* movie opposite Dwayne Johnson. What can you tell us about it?

From what I understand, it will be different from the original — it's going to be R-rated and really badass. And I'm going to train hard and outswim **The Rock**!

You also have the sequel to the raunchy comedy *Neighbors*, with Seth Rogen. The first one looked like it was a ton of fun to make.

I probably had more fun on the original than on any movie — I'd

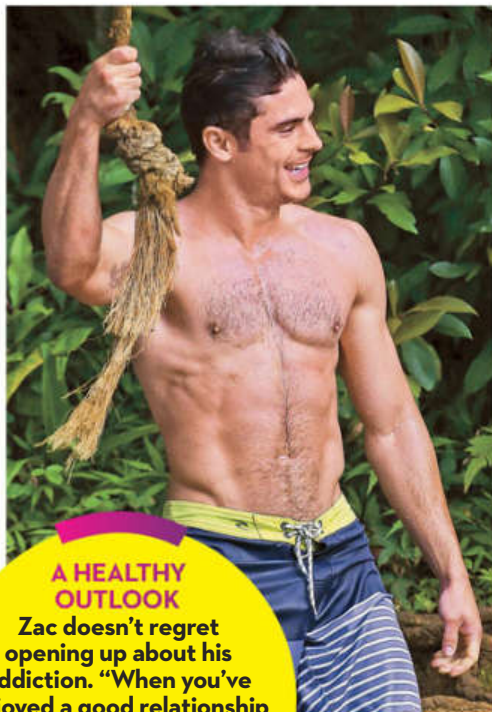

been trying to prove myself in a lot of dramas, but it was while working on *Neighbors* that I realized how much I love comedy.

You've been dating model Sami Miro for a year now. Do you consider yourself a hopeless romantic?

I've never wanted to have superficial relationships — I'm happiest when I'm enjoying that closeness you find when you really care about someone and they care about you. I've always been interested in romance and everything that comes with it.

Zac and his *We Are Your Friends* costars Emily Ratajkowski and Wes Bentley share a serious moment.

A HEALTHY OUTLOOK

Zac doesn't regret opening up about his addiction. "When you've enjoyed a good relationship with your fans, I think it's important to respect their trust and be as honest as possible," he says.

Hair Health

My hair was thinning

About a year ago I noticed my hair starting to fall out. I would find hairs in the shower and lots on my brush. It was so bad that my hair started to appear thin. This made me very concerned so I looked for solutions.

The pharmacist directed me to Hair Volume, a well-known hair product from Europe, that contains biotin, silica, millet and apple extract. I thought it sounded good, so I gave it a try.

IT WORKED FOR ME

Now I have been using it for 2 months and I am really happy with the product. It really works for me - I strongly recommend it".

CAROLINE MANZO'S

SUNDAY GRAVY

I love Sundays because the house is full of friends and family, relaxing, cooking and of course eating!" says Caroline Manzo, veteran of *The Real Housewives of New Jersey* and the straight-talking matriarch on Bravo's *Manzo'd with Children*. Here, she shares her recipe for an Italian-American classic: Sunday gravy. "To us, food is love," she says. "What better way to show it than with a delicious bowl of pasta with everyone's favorite sauce?"

SERVES: 4 TO 6

TOTAL TIME:
3 HRS.

SKILL LEVEL

Ingredients

Olive oil for browning meat (4 to 5 tbsp.)

- 8 cloves garlic, crushed
- 1 small onion, chopped
- 1 lb. Italian sweet sausage
- 1 lb. Italian hot sausage
- 3 veal neck bones
- 3 pork rib bones
- 1 beef braciolo (can be purchased at most groceries or Italian specialty stores)

- 3 (14.5-oz.) cans crushed tomatoes
- 2 (6-oz.) cans tomato paste
- 1½ cups red wine
- Handful fresh basil or 3 bay leaves
- Salt and pepper, to taste
- 12 cooked meatballs (optional)
- 1½ lbs. cooked pasta
- Grated Parmesan cheese

Directions

1. Add olive oil to a large pot over medium heat. Add garlic and onion; sweat vegetables 1 minute. Don't let them burn! Add sausages, bones and braciolo. Let simmer for a bit, turning until all sides are browned.

2. Add the tomatoes and tomato paste. Let simmer 10 to 15 minutes to blend flavors. Once sauce begins to bubble, lower heat and add wine, basil or bay leaves and salt and pepper. Let

simmer for about 2½ hours, stirring occasionally so that sauce doesn't stick to pot and burn; about halfway through, you can add meatballs to pot for remaining 1 hour and 15 minutes.

3. Once sauce is done, remove from heat, discard the bones and serve over your favorite cooked pasta. Add some good grated cheese and enjoy! You can freeze any sauce you have left over.

"Ten years ago, the only thing you could get was a pink jersey or a pink hat with your team's logo," says **Jamie Chung**. But this fall, the actress shows how far the female fan apparel industry has come: The new NFL Women's collection, for which she's a spokeswoman, is filled with on-trend items like vintage-inspired tees, chambray tops and leggings with your fave football team's logo. "It's much easier to integrate into your everyday attire," says 49ers fan Jamie, who pairs the Hail Mary ³/₄ Sleeve T-Shirt (\$40, NFLShop.com) with boyfriend jeans.

FABULOUS ABS!

TONE YOUR TUMMY WITH QUICK CORE WORKOUTS

THE EXPERT: NORA TOBIN

Nutrition and performance specialist, fitness consultant for Four Seasons and

Belmond hotels, *Shape* contributing editor and Wilhelmina model.

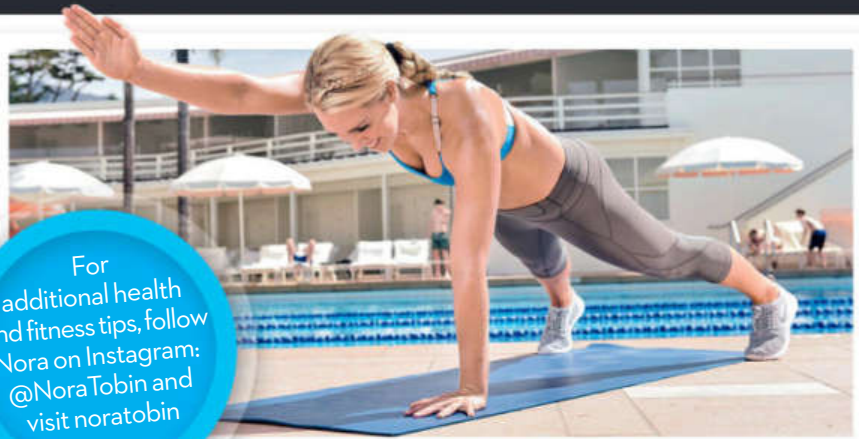

Turn heads with your sexy midsection! This ultimate abs program, which will help you shed weight, burn fat and look your very best, focuses on essential abdominal exercises and crucial nutritional substitutions to fulfill your ultimate goals. Added bonus: It does not require significant time in the gym or kitchen. You can incorporate this routine on the go!

Tired of endless crunches? Swap them for movements that work the entire core. It's important not only to train the rectus abdominus to get the definition we all love but also to activate the transverse abdominus, which flattens everything out. These moves challenge the core in all different planes of motion, giving you a nice flat stomach, hourglass figure and shredded core. Have fun!

NUTRITION TIP BE FIT, LOOK FAB

Research suggests that refueling with protein and carbs after exercise may help promote muscle recovery. For a good source of protein postworkout, snack on Wonderful Pistachios, one of the lowest-fat, lowest-calorie—and tastiest—nuts around!

For additional health and fitness tips, follow Nora on Instagram: @NoraTobin and visit noratobin.com

STRAIGHT-ARM PLANK WITH ARM RAISE (FLATTEN EVERYTHING OUT)

STEP 1: Come into a straight-arm plank position, with wrists under shoulders and feet slightly more than hip-width apart. Keeping hips level, lift right arm up to shoulder height. Extend arm straight out in front of you.

STEP 2: Return to center and switch sides. Maintain a straight spine, and engage the legs to support the body. Perform 10 reps each side.

SIDE PLANK WITH KNEE TO CHEST (GET AN HOURGLASS FIGURE)

STEP 1: Come into a side plank, your forearm parallel with the front of your mat, feet stacked and hips high. Form a straight line from head to heels. If just beginning, start with the bottom knee resting on the floor and hold for 30 seconds each side.

STEP 2: If you are ready to take it to the next level, draw your top leg in toward your chest. Return to starting position, feet stacked. Maintain a straight spine and still torso throughout the entire movement. Perform 10 reps each side.

PUSH-UP HOLD (SCORE MAJOR DEFINITION)

STEP 1: Come into a straight-arm plank position with wrists under shoulders. Drop down onto knees while maintaining a straight spine.

STEP 2: Lower chest toward the floor, keeping elbows close to your sides. Hold for five to 10 seconds. Press all the way back to starting position. Repeat the movement five more times.

** "Cut your bill in half" and "Save up to half the cost" are based on a service comparison of the two largest contract carriers' monthly online prices for comparable individual post-paid contract service plans, including overage charges, and Straight Talk's \$45 service plan. Excludes the cost of the phone and limited time promotions. Source: Contract carriers' websites, July 2015.
